Sunday	Ioford/Megamix	Turbobooster, Quik-gel E Powder & Fvite	

Notes on Soft Food Supplements

The Food Supplements may be mixed with organic bean, brown rice and vegetable mix. Breeding pairs will climb the wire in eagerness to eat this tasty and highly nutritious soft food mix. Additional E-powder and F-vite may also be provided in small dishes where they are eaten as required.

Soft Food Recipe

Ingredients: 1 cup of cooked Tassie's Organic Beans
1/2 cup of cooked brown rice and a selection of vegetables
1 tablespoon (10-80 mls) Turbobooster
2 tablespoons (20 - 200gm) E-powder
1 tablespoon (20gm) F-vite
1 drop (0.2mls) Quik gel

Procedure:

Dissolve Quik gel into a small amount (10mls) of warm water. Thoroughly mix Turbobooster and Quik gel solution into the soft food mix.
Then mix in E-powder followed by F-vite .
Provide fresh each day in a clean container.
Remove any uneaten portions within 6 hours during hot weather.
